Beat 1 run-off due

Dean in lead, Kelly likely 2nd

A request for a recount looming on the second and third place finishers in Tuesday's Beat 1 supervisor election which will go to a run-off at the polls Nov. 6. The vacancy was created by the death of Charles A. Russ, Jr., Constable H. G. (Boogie) Dean led the race with 170 votes, well ahead of the rest of the four-way field, but he did not poll a majority so that the run-off becomes necessary.

With only two votes separating B. G. (Jim) Kelly and Carl (Nan) Miller, it seemed certain Miller would seek a recount when the county election commissioners meet this morning to canvass the vote.

Kelly polled 91 votes which would put him in the run-off with Dean. Miller got 89 votes. Trailing was Lester Hoyer, Beat 1 justice of the peace.

The tally is unofficial at this stage since the Gainesville score sheet was locked up in its box and only the election judges' memory was available.

Ansley was the first precinct to report after the polls closed at 6 p.m. The last box came in at 7:15 p.m. All told 387 ballots were cast, the heaviest voting being at Pearlington, home precinct of three of the candidates, with 140.

Dean carried three precincts: Napoleon with 31, Logtown with 14, and Logtown with 14.

PEARLINGTON IS BUSY - Mrs. Thomas E. Lynch, right, casts her vote in the Beat 1 election as precinct officials assist. From left they are Mrs. Joseph Bennett, Mrs. T. P. Ward, Mrs. Thomas Wicker and James J. Doyle.

134th men in Natchez on chlorine

The Natchez chlorine excavation operation is the present assignment of 17 members of the local National Guard unit.

Master Sgt. Wilbert Adams reported an advance group of three men from the 134th Transportation Co. left for Natchez last Thursday and the remainder departed Saturday morning. He is anticipating a call for five more men today.

Going last Thursday were Sgt. David James who is working in the finance section at Natchez, Sgt. Earl Lizana, Jr., and Pfc. Larry Favre. Leaving Saturday were Sgt. James Ladner who is in charge of the local crew there, Specialist Five Richard Fayard, Specialist Four Melvin Lunde, Jimmy R. Ladner, John Erezina, Joey Curet and Ronald McLaughlin; Pfc. Wayne Colson, Earl Thornton, George Thornton, Ernest Nieto, Robert Freeman and Pvt. Renalder Stigler.

Adams said he has no idea how long the men will be on active duty as standbys for the evacuation of people from the area in case of danger from the chlorine barge being lifted from the Mississippi River.

LEADS BALLOTING - H. G. (Boogie) Dean of Pearlington, who led voting in Tuesday's special election for the vacant Beat 1 seat on the board of supervisors, checks tally sheet with Mrs. Edward Blaise of the Courthouse staff as run-off is indicated.

CONFERENCE AT THE POLLS - E. G. (Jim) Kelly, right, discusses prospects for success with A. D. Hoyer, father of unsuccessful candidate Lester Hoyer, at the Pearlington precinct.

Peoples Fed. \$150,000 project set

Peoples Federal Savings and Loan Assn. this week announced plans for a \$150,000 project including a new two-story building with drive-in teller facilities.

Construction is to get under way in early November at a site on Court Street between City-County Memorial Library and the E. J. Arceneaux residence. The building, designed by Howard T. Musick and Perry C. Longston, architects, will be of Spanish contemporary design and is slated for completion next April.

Contractor will be Bank Building and Equipment Corp. of America, of St. Louis, Mo., a firm known across the nation for work of this type. Peoples Federal officials said bids will be solicited locally for sub-contracting work.

The building will front 44 feet on Court Street and extend back 34 feet. The modern interior is designed with three teller windows and a mezzanine for the main floor. The drive-in window, second for a savings and loan facility on the Mississippi coast, will be in the rear, the 106-foot front lot providing ample space for a driveway all around the building. Employees parking will be in the rear.

P. J. Trautman, president, said the project has been in the planning stage for a year to meet the growth of Hancock County. No immediate addition to the office force of three women and three men is contemplated when operations are moved from the present quarters in the Masonic Temple building.

Current officers are P. J. Trautman, president; O. W. Delph and Capt. C. A. Traub, vice-presidents.

Peoples Federal is the oldest banking-type institution in Hancock County, being organized Feb. 13, 1890. Serving on its initial board of directors were Dr. R. J. Turner, president; John B. Fahay, vice president; J. F. Cazanneuve, George Planchet, A. F. Cameron, A. A. Ulman and Roger deMontmaza, G. W. Ellis was secretary and attorney.

Early minutes of the board show negotiations were in progress back in 1900 for rental of space in the Masonic building where operations have been conducted since the present structure was erected in 1926.

Current officers are P. J. Trautman, president; O. W. Delph and Capt. C. A. Traub, vice-presidents.

Int'l Paper signs pact to sell NASA

With the completion of negotiations with International Paper Co. for its 11,258 acres in the Hancock County test site fee zone, only one 320-acre tract remains to be acquired to complete Uncle Sam's purchase of land for the project.

International Paper's holdings, representing more than 80 per cent of the construction area for the operation, were acquired at a figure in excess of \$1 million after several weeks of conferences in Mobile with the Army Corps of Engineers. The agreement is exclusive of any consideration for oil, gas and other minerals.

The Engineers, acting as land agents for the National Aeronautics and Space Administration to date has purchased 11,909 acres in Hancock County, for the 13,500-acre test site.

In addition, the Corps, has condemned 592 acres, instituted condemnation proceedings for another 602 acres and received "right of entry" to 320 acres. Not included in these acquisitions is land in the 128,000-acre buffer zone, which surrounds the site. NASA will acquire perpetual easement rights in this area.

O. B. Moore, manager of the local real estate office, said right of entry has been secured for the 320 acres owned by Crosby Forest Products and leased by its MOBILE X-RAY UNIT.

The mobile chest x-ray unit will be in Waveland from 2 until 4:30 p.m. Thursday, Nov. 8, and in Bay St. Louis at the Health Center between 8:30 a.m. and noon and 1 and 4 p.m. Friday, Nov. 9.

Goblins due Halloween, Wednesday

Halloween comes but once a year and this time it's next Wednesday when spooky and frolic are to reign throughout the county before the traditional solemn All Saints Day celebration on Thursday.

Mrs. Larry Lohs, general chairman, and Mrs. Lester Walters, chairman of refreshments, met with parents from each grade last Thursday to make final plans and assign booths.

Spook king, queen reign at Hawk Halloween fair

Crowning of the king and queen of Halloween will highlight the annual goblin fair at Hancock North Central School Tuesday night.

The Halloween affair will get under way at 6 p.m. and is planned one day early so as not to conflict with prayer meetings on Wednesday night.

Teen Times

OLG parents view books, play aides

As students successfully (we hope) completed the first six weeks of school, things began to pick up in tempo social wise after the annual vacation and slump.

St. Joseph and Stanislaus girls and boys are buzzing about the upcoming homecoming game and dance. There was an enthusiastic crowd at the pep rally Thursday night. See Holcomb was selected as homecoming queen, Jackie Kingston, a sophomore will be maid of honor. Kathy Heath, Jo Mary Artigue and Susan French are maids in the court. The game takes place Saturday, when the Rocks meet Benjamin Franklin of New Orleans.

Despite the fact that Colden Jones scored a touchdown on the first play of the game Friday night, Stanislaus bowed to Assumption High of Napoleonville 25-13. Barry Boasberg produced the only other Rockachow tally.

Bay High fared better, although they didn't score against St. Martin of Bilal until the final quarter Friday night at Bilal. The Tigers won 28-0. There's much speculation as to who'll be Bay High's homecoming queen, but so far, no announcements have been made.

A large number of boxing fans turned out for Thursday night's bouts at the A and G Theater. Two members of the local team, Ronnie Peterson and Robert Stiefel leave for the Marines early next month.

More dances coming up—there'll be live music at the Clermont-Lakeshore Youth Center dance Saturday, Nov. 3.

Get well wishes go to George Stenz who underwent surgery in New Orleans Friday. George suffered a severely sprained knee when doing the twist recently. We'll also send get well wishes to any local University of Southern Mississippi students who have fallen victims to an epidemic of 24 hour virus which swept the campus last week.

Birthday greetings are in order for Diane Presnell who celebrated her 16th at a large party Oct. 13, and to Barbara Brown who became 16 today, Oct. 25. Be sure and remind your parents that probably their first "trick-or-treat" visitors will be soliciting funds for UNICEF next Monday night.

Tuesday last was Mission Day at St. Joseph Academy. Senior Dudley Alberts was crowned queen of the affair.

Peggy Garcia, now working in New Orleans, spent the weekend at her Clermont Harbor home.

Karen Lewis, former Bay High student, is completing her senior year in Arkansas where she is visiting her grandmother.

Teen-agers at the Bay St. Louis Youth Center feasted on a surprise birthday party, Saturday night. She was presented a three tiered cake and lovely silver tray. The Corvettes played for dancing.

Pili White returned Sunday from Sewanee Military Academy, Sewanee, Tenn., where she was the guest of former Christ Episcopal Day School student, Charles Lyle, for homecoming festivities.

Egan Carroll who joined the Navy after graduating from high school in New Orleans last June, is looking forward to spending his first leave here early next month.

Solicitation of books for the school library and the need for volunteer playground supervisors at luncheon recess occupied the Parents Club of Our Lady of the Gulf Parish School at its meeting last Thursday.

Sister Edward, principal, expressed appreciation for books donated to the library so far. Mrs. Frank Lagarde, chairman for this project, said she would pick up any new or used books for elementary school age children by calling her at HO7-6686.

Dr. M. D. Horns, president, reported on the need for volunteers to establish an organized recreation program on the playground during the lunch hour from 12:10 to 1:10 p.m. With some 500 children enrolled at the school the task is more than the teaching personnel can adequately handle, he noted.

Mrs. James J. Homan opened the meeting with a prayer and Sister Anne's 5-8 grade was the attendance prize. Junior Legion of Mary members served as baby-sitters while parents attended the meeting.

ceded a half twice as much as
the Yellowjackets and drove well
in several occasions, fullback

Four different players scored
in the first half.
The high drew first blood in
the second quarter when, capping
a 60 yard sustained drive in 15
plays, quarterback Johnny Penion

extraordinary jump pass. Burch

the center of the line.
Don Saucier passed to
J. P. Compretta for the

Later, after a Richard

in eight plays, overcoming
a yard holding penalty.
They passed 27 yards to Saucier
and up the mally, Saucier mak-
ing a remarkable catch. Burch
then ran a six-yard plunge
with 821 left in the half.
The third stanza went by with-
out a score and without a serious
fight, but Bay High took com-
plete command in the final period.
Early in the quarter the Tigers
drove to the St. Martin 10 only
to be stopped on downs. The Yel-
lowjackets, however, were
pushed back to their one-yard
line, and on fourth down could
kick only to the 18. On Bay High's
second play, fullback Dick West
passed 17 yards, running over
siders for the final time, to
score. West's run for the PAT
failed.

With only six seconds left on
the clock it appeared the game
would end 19-0 in Bay High's
favor. But the excitement was
just beginning. Billy Thomas,
with the aid of several team-
mates, trapped a St. Martin back
in the end zone for a safety and
two points. The Yellowjackets
then under the rules, had to kick
a 35 yard field goal. Bay High
then ran the kick back beauti-
fully for 60 yards to paydirt as
the final horn sounded. Quarter-
back Larry Lake passed to Schae-
fer for the PAT after fans and

Young conducts new oil search in Kiln field

Marshall R. Young has set 8 5/8-inch casing 3000 feet and is drilling ahead with a projected depth of 10,800 feet at a Cuevas Sand wildcat four miles south-east of Weihe and 11 miles north-west of Bay St. Louis in Hancock County, southern Mississippi.

The test, being drilled with company tools, is No. 1 Robert James O'Toole, C. N. 1/2 SE SW Section 7-7S-14W. Location spots four and one-half miles north of Kiln field.

Young held acreage in the area and secured additional acreage and dry hole money from Humble Oil & Refining Co.

Nearest control lies two and three-quarters miles to northwest at Young's No. 1 Leo W. Seal, C SW SW NE Sec. 36-6S-15W. No show was reported to a depth of 10,766 feet and hole was abandoned in August, 1961.

Dean polled 18 there to five for Kelly and three for Hoyer. Kelly ran second in Pearlington with 53 to seven for Hoyer and two for Miller. Miller ran second in Loggins voting with 29 while Kelly got 10 and Hoyer seven.

Closest margin was in Napoleon. Besides Dean's 31, Kelly got 12, Hoyer 20 and Miller 15. Should Dean capture the runoff election, another special vote may be necessary to fill the constable's post unless the time remaining in the term is short enough for the board of supervisors to submit a recommendation for appointment by the governor. Dean is now rounding out his third term as constable.

Turnout at the polls was considered good in view of the fact this is an off-election year and a number of persons had not paid the necessary poll taxes. Twenty-three absentee ballots were cast.

Applications for absentee ballots, as provided by Mississippi law, for the Nov. 6 election which includes the Congressional contest, Beat 1 and 2 school board seats and constitutional amendments, may be filed from Oct. 27 to Nov. 3 with Circuit Clerk Lamar Otis.

UNITED GAS PIPE LINE

Another Milepost of UNITED GAS Progress

Those familiar T-shaped markers you see near the highways of this area are mileposts of progress. They serve a dual purpose — marking the location of a United Gas pipeline passing under a road and providing a vent for the air space between the pipeline and its steel casing. These little vents, scarcely taller than a man's knee, are among the few visible signs of our business ... the complex business of delivering dependable supplies of natural gas to the cities and towns of the Gulf South.

One of our subsidiaries, Union Producing Company, explores for new supplies of natural gas — drills many wells every year in the never-ending search for additional reserves. Another subsidiary, United Gas Pipe Line Company, buys gas from hundreds of producers, and builds gathering and transmission pipelines to move it to places where our customers need it. Yes, and in some 800 communities, United Gas is the local distributor of that gas. So look twice the next time you see one of those little vents. It's a milepost of progress for the whole Gulf South.

Rocksmeet Ben Franklin in homecoming Saturday

St. Stanislaus Rockchaws will be out to impress the school's old grads Saturday when they entertain Benjamin Franklin of New Orleans in the 1962 homecoming attraction starting at 2:30 p.m.

Stanislaus will try to improve on a 3-4 record in the contest, marking the final home appearance this year for the Rockchaws under their new coach Billy Murphy. The season's remaining two games, with Moss Point and Hahnville, La., will be played on the road.

Last Friday, the Rocks struck for a touchdown on their first play from scrimmage, but could add only one more TD against a tough Assumption football team in Napoleonville, La.

Tailback Dusty Rhodes combined with wingback Golden Jones for a 72 yard pass-run play on the Rocks' first scrimmage down against Assumption, making the locals to a 6-0 lead, overcome by four quick Assumption TD's before halftime.

The Rockchaws' only other score in the offensive-minded

contest came on a 15-yard run by fullback Barry Boesberg in the second period. Tailback Paul Fasullo ran for the PAT.

Stanislaus threatened throughout the game, chiefly behind a good running attack led by Boesberg and Fasullo, but fumbles and pass interceptions cost the Rockchaws several scoring opportunities.

The Rock defenses were not as sharp as in previous games, although Murphy did credit sophomores Doc Rhodes, Lenny Ascoin, and Mike Andrews with good performances. "Assumption was the fastest team we've played this season," Coach Murphy remarked.

Ben Franklin has a 3-3 record this season, and will use a rushing attack as their big weapon, boasting a big fullback as the team's top offensive threat. Five key players were injured in the Assumption contest, but end Arthur Wynn is the only man ex-

pected to miss this week's homecoming game.

"If we play ball like we can, we'll win it," Murphy commented on the upcoming contest. The Rocks, who with their win against Notre Dame last week, earned the right to face St. Aloysius of Vicksburg in Vicksburg Nov. 23 for the Mississippi Catholic Conference championship, have lost only once at home in '62 and are looking for their third win.

VOLLEYBALL TOURNEY
A volleyball tournament for first and six grade pupils from Our Lady of the Gulf Parish School and seventh and eighth graders of St. Joseph Academy is scheduled at 7 p.m. Friday Nov. 2, in the SJA gym.

Students at the Child Center, operated by the Hancock Assn. for Retarded Children, were guests at the circus in Pass Christian Tuesday, tickets being furnished by Honey-Jungle. Accompanying the youngsters were Leo Favre and Mesdames U. N. Durbin, William Wilson, A. Holden and Lloyd Lewis.

WINS BY DECISION - James Watson, left, is on his way to a unanimous decision win over Tim Holloway of Biloxi Boxing Club in 140-pound match opening fall boxing season here last Thursday. Joe Harrigan of New Orleans is AAU official refereeing.

BEATEN BY DECISION - Robert Steffel, right, dropped a decision match to Larry Kostmayer of Biloxi in the 118-pound class.

Bay boxers top Biloxi in opener

Bay St. Louis' boxing team, under the coaching of Buck Price, captured five of nine matches from the Biloxi Recreation Department squad Thursday night at Bay St. Louis, starting the new season in good fashion.

The locals won the four super-weight matches, including the main event, in which Larry Bilbo outpointed Russell Bittle in a 147-pound bout. Other local winners were: Harvey Mitchell, 135 pounds, on a decision; T. J. Fayard, 135, by a TKO; Jim Watson, 140, on a decision; and Donald Marquis, 100, on a decision.

Also representing Bay St. Louis were Joe Tate, Mike Fayard, Wayne Colson, and Robert Steffel.

Tiger power...

(Cont. from Page 3.)

Last week against Long Beach, the tough Bay High defenses had allowed the Bearcats to pass the 50 yard line only once. Friday St. Martin never touched the 50, and in the second half the Yellowjackets only got beyond their own 10 on two occasions. Bay High controlled the ball 63 plays compared to St. Martin's 30.

Unofficially, the Tigers gained 187 yards rushing and completed 7-15 passes for 54 yards and two extra points. St. Martin could manage only 19 rushing yards, averaging less than a yard a carry, and gaining only four yards through the air, hitting on 2-9 heaves. In one instance, Yellow-jacket quarterback Don Fountain was thrown on four consecutive plays for losses of nine, 13, seven, and seven yards. The Tigers gained 14 first downs, St. Martin three. Burch was the leading rusher with 70 yards in 15 carries, while Sanchez and Casanova picked up 39 and 38 respectively. Patton was 5-9 to lead the passing, Latta was 1-4, and Sanchez 1-2.

This Friday, the Bengals again hit the road to resume a long-time rivalry with Poplarville. Although the Hornets have a losing record, they play in the tough Delta Conference and should give the locals plenty to think about.

Hawks to meet Pirates

After a well-earned week of rest, the Hancock North Central Hawks return to football action Friday night at Pass Christian against the Pass High Pirates in a Gulf Coast Conference game.

The Hawks, in their first season under the coaching of Ezell Lee, have scored six touchdowns in six games but are yet to post a victory. In the four-year history of the school's grid team, North Central has not won a game, and they'll have to be in top form to down the Pirates, undefeated except for a 19-0 loss to Bay High in Bay St. Louis earlier in the year.

The Hawk offense has been led this year by backs Kenny Randall, Eddie Peterson, and Junior Necaise, and ends Jerry Necaise and Berlin Ladner. Coach Lee's defensive aggression will have to hold in check the passing and running of a swift Pirate quarterback and the line-plunging of the Pass High fullback Friday night.

North Central is pointing for their Nov. 2 date with Kern, the first homecoming grid contest ever staged at the North Hancock County school.

Participants will bowl eight games, and the winner will be determined by highest total scratch score for the eight games.

Already entered in the eliminations are Red Reinke, Merita Markel, Dave Pindexter, Buck Kimball, Henry Schmidt, Harold Carlat, Vernon Bernwood and John Wilkerson.

What Makes America Tick

In another abundant harvest American farmers have demonstrated their ability to produce. Despite federal controls, the freedom to farm has yielded bumper crops.

With half the manpower, on fewer farms, the output in the United States has increased 77 per cent in 40 years. One American farmer not only feeds himself, but 25 additional persons. He produces five times as much food, feed and fiber as a Russian farmer under collective farming.

The Communist Scheme produces famine and starvation, even in China, the oldest of the agricultural empires, while the American farmer produces great surpluses. Out of our abundance and charity we feed millions of hungry Communists all over the world. Russia may have the edge on the USA in space, but her people go hungry, millions of whom live in hovels.

The National Association of Manufacturers has recently revealed a shocking trend of thought among high school seniors. Handicapped by economic illiteracy, and brainwashed with theoretic piffle, only 39 per cent agreed that business profits are necessary and legitimate. And 62 per cent believed a worker should not produce to his capacity. Nearly 56 per cent believed that

business should be more closely controlled by government.

Agriculture is the nation's biggest business, and the American farmer cannot prosper without profits and the freedom to produce. It is appalling that so little confidence is being generated in the minds of youth over the advantages of the American economic system — a system that leads the world in providing food, shelter and the comforts and conveniences of the highest standard of living known to humankind.

Even in Mississippi, only two per cent of our citizens require an economics course in the high school curriculum and only 6.4 per cent of her students elect that subject.

No high school student can claim to be informed if he doesn't know what makes America tick. As believers in our superior system, Mississippians should be the first to train leaders qualified to overcome Communism with facts. The higher purpose of education is to produce citizens dedicated to the preservation of the great American ideal, that our sons may inherit the kind of country bequeathed to their fathers. Educated at public expense, our children should be taught what makes America tick.

Greyhounds Win title key

Tigers, after a 23-0 whitewash of St. Martin in last night's game, can wrap up their third Gulf Coast Conference title with a win over Ocean Springs today.

The Tiger-Greyhound game is still two weeks off, it is a doubt as the game to decide the league title. Bay High's eleven which is currently undefeated within conference, the Greyhounds trounced Long Beach 19-0 in Long Beach last night, outside of the locals, with much chance of the Ocean Springs' appearance in Pass High, losers of no game except the Bay High contest.

THE 1962 ROCKCHAMPS - Members of St. Stanislaus College football team, who will meet Benjamin Franklin High of New Orleans in their annual homecoming game here at 2:30 p.m. Saturday are, from left, front row: Neil Pick, Curtis Mathers, Joe Marren, George Rich, Mike Andrews, Louis Pastor, Lennie Aucoin; second row: Tim Mashburn, Bruce Anthony, Paul Fasullo, Peter Bensley, Richard Sisson, Dannie Lacour, Paul Aucoin, Paul Pister; third row: Coach Mike Gallagher, Don Marchant, Charles Levinge, Mike Blakeney, Larry Fee, Mike Brady, Dale Burke, Mike Mashburn; and rear row, Coach Billy Murphy, Brother Edward, Vic Jordan, Dusty Rhedao, Ken Mond, Colden Jones, Nickie Kingston and Barry Boasberg. Team managers, not pictured, are Mike Tortoria, Bobby Tronier, Roy Riboud, Mike Larroux and Sammy Chavast.

Sidelines
Fullback J.E. Lofcano continues to play well for Mississippi State. The Maroons have won three in a row. After leading Pearl River Junior College to an undefeated season and looking at this year's record, Lofcano, a Stanislaus grad, must just be a winning ballplayer.

There has been talk of redshirting Tulane center Bill Watts which, if it happens, will give the ex-Bay High gridders an extra year of football. Center is one of the Greenies' strong positions, and Watts is yet to see action, although he has accompanied the team on all road trips. He could be a valuable player the coming two seasons.

Mrs. Pottall Glass, Jr., the Echo's managing editor, represented the Bay-high-vote last week in terrific fashion, advancing all the way to the semi-finals of the Mississippi Women's Amateur Golf championship in Ocean Springs before bowing to the eventual champ 4 and 3. The winner over Mrs. Glass then went on to score a relatively easy victory in the finals.

Bay High's football team must be setting some kind of record in one department. When the Tigers lost the toss of the coin before the St. Martin game Friday night, it marked the seventh consecutive time the opposing team had "out-called" the Bengals.

Twelve-year old Terry Markel made older boys take notice Sunday afternoon in the Strikeouts boys' bowling league, putting 222 and 180 games on the scoreboard in succession.

Score victory over BHS

The Bay High JV football team dropped its first game of the season Thursday night, losing 13-9 to Hancock North Central.

Domino Bilbo scored the little Tigers' only touchdown in the first half, and with the PAT Bay High led 7-0 at the mid-game break. The Hawks, however, came from behind in the second half, scoring the deciding touchdown in the fourth quarter. The Tigers closed out the scoring with a safety late in the game. Bay High, now 3-1 on the year, closes out the '62 campaign tonight at Long Beach against the Long Beach Bearcats. The Hawk scores were the first touchdowns scored all season on coach Wilmer Seymour's eleven.

Korson is Waveland ham radio director

A. F. Korson of Waveland has been selected emergency coordinator of Waveland amateur radio operators by the American Radio Relay League, national association of radio amateurs.

Korson's chief assignment, according to the ARRL, is to band together all Waveland amateur radio operators to perfect emergency radio communications in case of natural disasters or other emergencies. His duties also include liaison planning with the American Red Cross, and the establishment of liaison with local protective services such as fire and police departments.

Call parents meet on Flea-Fly play

A meeting of parents interested in their younger children playing in the 46th annual Flea-Fly football classic is called for 3:30 p.m. today at St. Stanislaus College Day School, Chester Favre, general chairman for the event, has announced.

Tickets for the game, scheduled to get underway at 1:30 p.m. Sunday, Nov. 11, at Stanislaus Stadium, will be distributed at the same time at the school by members of the Knights of Columbus auxiliary.

Ticket proceeds are to be returned to the Knights of Columbus by 3:30 p.m. Monday, Nov. 5, and the king and queen of the Flea-Fly court selected on the basis of the boy and girl student at Our Lady of the Gulf School who sell the most tickets.

Favre explained that football uniforms for fifth and sixth graders at OLG will be furnished by Stanislaus. Support of the parents will be necessary for the smaller boys to play in the game and this afternoon's meeting will be devoted to that topic. Coaching the little boys will be Joseph Bevenutti, Jr., and Philip Scalfi. Stanislaus coaches already have started workouts with the older crew.

Favre emphasized that when tickets are turned in the money should be in sealed envelopes for counting.

Nellus Favre is chairman for the parade which will start from the college at 1 p.m. the day of the game. The KC auxiliary will handle ticket sales and the half-time entertainment, including the court.

Proceeds of the game are shared by the Knights of Columbus and Brothers of the Sacred Heart for education of a priest and a brother.
